

# The Toot

## FVB Residents' Weekly

Editor: Marilyn Greist

### A Huge Thank You

There are many people to thank for their help while I recover from my recent injury. Most important of all, I wish to express my deep appreciation to Dick Wexelblat, who bravely took on producing the Toot while I was unable to function. He did a fantastic job, all while publishing the Bugle and working on the final draft of the new Resident Handbook, simultaneously. A never-ending thank you, Dick.

Thanks to the many friends and neighbors who prayed, visited me, called, brought food and sent cards. I have a long journey ahead and I could not manage without your caring words and offers of help. Thank you, all!
