OnSite Dermatology is the leading national provider of mobile dermatology care to seniors living in independent retirement, assisted, memory care and skilled nursing communities.

Recognizing the need to provide quality services to residents at their communities, **OnSite Dermatology** was created in 2005. Since that time, we have been providing care to residents that may have been unable to leave their community or those that just want the convenience of regular services OnSite.

As professionals with experience in caring for the elderly, we have found timely intervention combined with treatment and portable diagnostic technology can make a definitive difference in the lives of your residents.

With over a decade of experience and providing care to thousands of communities throughout the country, we believe the services provided by **OnSite Dermatology** will truly benefit your residents.

[Our Medical Staff](#)

Our outstanding and experienced medical team is comprised of board-certified dermatologists, physicians trained in dermatology, and physician assistants or nurse practitioners who are supervised by board-certified dermatologists.

[Our Mission Statement](#)

OnSite's goal is to deliver the highest quality, one-on-one dermatological care directly to the patient. While bringing professional medical staff directly to where residents live helps save time and money, it also offers seniors an unparalleled level of comfort to be seen in their own surroundings.

[Making an Appointment](#)

OnSite comes to Freedom Village the last Monday of the month. If you have any questions or to make an appointment please call 877-345-5300 directly.
